

Kathryn Murphy

EVP, Pluralsight Flow

Kathryn Murphy is Executive Vice President of Flow at Pluralsight, Inc. (NASDAQ: PS), the leading technology workforce development company that helps companies and people around the world transform with technology. In her role, Murphy oversees Pluralsight's Flow product line, helping engineering teams develop engineering intelligence and get unmatched visibility into workflows in order to accelerate product development. Murphy joined Pluralsight in August, 2020.

Murphy is known as a hands-on leader with a passion for people, products and technology. She brings more than 20 years of technology leadership expertise to Pluralsight at companies such as Salesforce, Demandware, and Tomax Corporation. Most recently, Murphy was the Senior Vice President and General Manager for Payments in the Salesforce Commerce Cloud, where she spearheaded the effort to create next-gen payments for retailers to do commerce anywhere, fast.

Murphy holds a bachelor's degree in Business/Information Systems from Brigham Young University. She recently was the chairman of the Utah Technology Council. She is active in the Retail Orphan Initiative (retailroi.org) and has traveled to Honduras to work in a local orphan school.
