

Ross Meyercord

Chief Revenue Officer

Ross Meyercord is the Chief Revenue Officer of Pluralsight, Inc., the leading technology workforce development company that helps companies and people around the world transform with technology. Ross joined Pluralsight in October 2019 excited by Pluralsight's mission to democratize technology skills and the opportunity to support companies around the world who are embracing technology to support their goals and build new ways of doing business. As CRO, Ross is responsible for leading all elements of customer success, including the direct and indirect sales teams, pre-sales and professional services serving customers in more than 150 countries.

Ross brings nearly 30 years of experience to Pluralsight, including enterprise SaaS sales, partnerships, sales operations and technology leadership. Most recently, as EVP on the North American sales team at Salesforce, and previously as Chief Information Officer, Ross was a key member of the leadership team that helped grow Salesforce from \$2.5B to more than \$16B in annual revenue. Ross began his career at Accenture, where he was a senior partner in the Communications and High-Tech practice and left after 22 years to join Salesforce.

Ross received a B.S. degree in Engineering from Harvey Mudd College.
